# Recognize teachers who care about America

VFW annually recognizes the nation's top classroom elementary, junior high and high school teachers who teach citizenship education topics regularly and promote America's history and traditions effectively.

Teachers who promote civic responsibility, flag etiquette and patriotism are prime candidates for this award. For example, do you know a teacher who plans field trips to city hall organizes community volunteer projects? Maybe you know an instructor who invites veterans into the classroom to discuss their military experiences. Perhaps you are familiar with a teacher who fosters the development of democratic values and beliefs through special projects. If you know of such a teacher, honor him or her today with the Smart/Maher VFW National Citizenship Education Teacher Award.

## VFW Cares About Education

Founded in 1899, the VFW highly supports the education of America's youth. VFW and its Auxiliary have developed a slate of programs dedicated to helping America's educators. VFW Citizenship Education programs stimulate interest in America's history, traditions, Americanism, civic responsibility, flag etiquette and patriotism.

VFW wants to identify and recognize America's best educators who instill a sense of national pride in students. It offers cash awards, commemorative plaques and all-expenses-paid trips to the VFW National Convention for these worthy teachers. The trip provides an opportunity for winners to network with like-minded individuals.

Teachers care deeply about America and its children. They're concerned about the perpetuation of America's noblest traditions and highest ideals. Wouldn't you like to see them get the honor they deserve? Now you can...
